

BOD Organization Affiliation

Section 4.2, Sub-Section A, Article 7

7. A maximum of two elected or appointed Board of Director Members may work at the same affiliated school district, company, agency, association, college, or University. In the case of an elected or appointed Board of Director member working for multiple organizations, their affiliated organization will be considered that in which the member works 51% or more of their allocated or billable working hours. Their alternative affiliation will be considered the organization for which the member works 49% or less of their allocated or billable working hours. Total organizational representation will be limited to no more than any combination of three (3) affiliate or alternative affiliate members on the Board of Directors.
