

Cortica is looking for a full-time **Board-Certified Behavior Analyst** to join its growing multi-disciplinary team. Work with our in-house team of experts: neurologists, pediatricians, counselors, occupational, speech and music therapists!

***Clinic/home-based – West Hartford**

What will you do?

- Complete Assessment and Treatment plans.
- Provide clinical and supervisory support to therapy clients and Behavior Interventionists.
- Monitor and update programming aspects of each client's clinical case.
- Organize and analyze data for progress report writing.
- Participate in insurance authorization reviews.
- Participate in Clinical Integration Meetings for clients on your caseload.

We'd love to hear from you if:

- You possess a master's degree in a Human Services or related field.
- You possess a current BCBA certification.
- You have working knowledge of ABA practices and experience working with children diagnosed with Autism.

Your Compensation & Benefits

- \$2000 continuing education stipend.
- 25 required billable hours per week, with a \$55 hourly bonus for any additional billable hours worked.
- Flexible hybrid work schedule.
- Opportunities to grow within our clinical ladder.
- 401k matching
- PTO and continuing education/wellness days.
- Health, vision, dental and pet insurance.
- Paid parental Leave
- Referral bonuses.
- Compensation: **\$80,000 to \$95,000.**
