

Are you passionate about making a meaningful difference in the lives of individuals and families? Join our dedicated team of professionals in Connecticut!

The Board-Certified Behavior Analyst (BCBA) is responsible for all aspects of case management for a caseload of learners. BCBA's train and monitor BT/RBTs in the implementation of individualized treatment plans for a caseload of patients. The BCBA works closely with the Practice Manager and Clinical Director to ensure quality of care, authorization, supervision, and implementation of treatment plans are provided in the effective treatment of patients. The BCBA models culture throughout their daily interactions with all individuals in the clinic, home, and community settings. The BCBA oversees and provides training to the clinical team that directly impacts each patient and their caseload in all environments where treatment occurs. The BCBA may also oversee Lead RBTs/Apprentices as assigned.

WHY CULTIVATE?

- Focus on balancing your caseload, so you can provide high quality care to your clients.
 - Collaborate with caregivers on individualized treatment plans.
 - Enjoy growth opportunities to help develop leadership skills.
 - Take advantage of our BCBA bonus program that offers monthly pay outs and allows our BCBA's to earn up to an extra \$19k annually!

WE ARE A BHCOE ACCREDITED ORGANIZATION.

This prestigious recognition acknowledges Cultivate Behavioral Health & Education's unwavering dedication to providing exceptional therapy services. BHCOE accreditation is a testament to our high-quality care, as it highlights organizations that excel in clinical quality, staff qualifications, and client satisfaction while promoting systems that enhance these areas. The process involved a comprehensive audit, including interviews with our clinical leadership, on-site observations, detailed staff qualification reviews, and anonymous staff and client satisfaction surveys.
