

Position Title: Board Certified Behavior Analyst

Program: ABA Early Intervention Clinic (Milford)

Location: 925 Bridgeport Avenue, Milford, CT 06460

General Purpose: Under the direct supervision of Clinical Director, coordinate and provide behavior analytic treatment services.

The Essential Functions of This Position are:

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Oversee ABA services for assigned cases
- Lead and conduct assessments
- Develop client treatment goals and objectives
- Develop behavior intervention plans
- Review graphs and programming and make modifications as necessary to promote progress
- Provide consultation and/or training to local community providers (e.g., schools or other service providers)
- Lead and participate in meetings
- Provide parent training
- Working closely with the Clinic Practice Administrator, maintain all insurance requirements for ABA services
- Ensure adherence to clinical requirements for insurance services
- Create and manage client and staff schedules
- Apply Behavior Analytic strategies to improve staff performance
- Participate in staff evaluation process
- Provide training and on-going supervision to RBTs, BCBAs & BCaBAs
- Participate in the recruitment process for staff
- Participate in provision of supervised field work for behavior analytic candidates as assigned
- Model high levels of professionalism and confidentiality and ensure staff maintain professionalism and confidentiality
- Other duties as assigned

The Minimum Qualifications and Requirements:

- Hold & Maintain Active Board-Certified Behavior Analyst Credential
- Meet all supervision requirements, including provision of supervision to new BCBAs, as specified by BACB
- Hold & Maintain License in the State(s) in which you provide services, as required.
- Minimum 2 years' experience as a BCBA or comparable experience (e.g., experience in a BCaBA position).

- Excellent professional, leadership, organization, and communication skills (both written and oral).
- When implementing emergency procedures ('PMT'), must perform maneuvers and actions associated with managing students independently or as part of an orchestrated team effort.
- Must be able to physically care for younger children up to 6 years old with or without assistance of one or additional designated persons.
- The job duties may occasionally require an employee to safely demonstrate heavy to very heavy physical demands associated with 'hand on' efforts when physically managing students, under routine, emergency, and/or aggressive behavior management scenarios.
- Required to follow all safety procedures and requirements.
- This position requires in person services, unless otherwise indicated.

MBS is an equal opportunity employer, providing equal employment opportunity to all employees and applicants without regard to age, ancestry, color, disability (learning, intellectual, mental and/or physical disability), gender identity or expression, genetic information, marital status, national origin, pregnancy, race, religion, sex, sexual orientation, veteran status, hairstyles or hair texture or other status protected by applicable law. Discrimination against any MBS employee or job applicant because of any status protected by applicable law is prohibited and is subject to discipline up to and including termination.
